

# ICS Unit Leader and Division/Group Supervisor Position-Specific Training

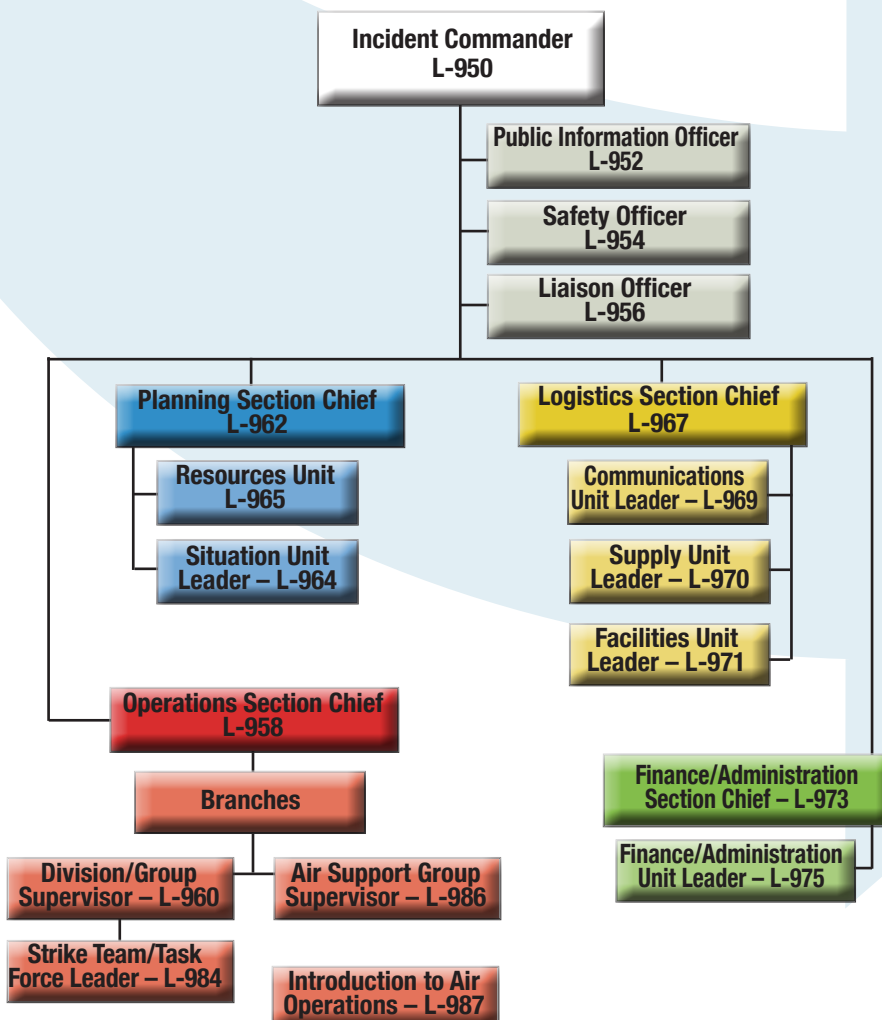

## DESCRIPTION

IMTC's ICS position-specific courses provide the critical in-depth training necessary to function as a member of an All-Hazards Incident Management Team (AHIMT) by presenting comprehensive insights and knowledge that translate into highly successful performance.

As the country's most experienced provider of DHS/USFA All-Hazards IMT courses, IMTC offers an exclusive cadre of nationally respected Position-Specific instructors. These instructors are peer-recognized subject matter experts in incident management with proven dynamic instructional abilities. Together they represent almost a millennium of front-line training experience with these courses and their antecedents. The instructors' combination of experience and expertise delivers an exceptional learning experience to participants and delivers proven value for their agencies.

*“Deep, deep experience... and every story had an important training goal. I can't imagine getting more out of my time.”*

### All-Hazards IMTC Position-Specific Courses (Indicated with L-course number)

### Each IMTC Position-Specific Instructor...

- ✓ Meets or exceeds every instructor qualification for Position-Specific courses.
- ✓ Is a successful teaching veteran of EMI Position-Specific courses.
- ✓ Recently completed deployments in All-Hazards Type 1, 2 or 3 incidents performing the roles being taught.
- ✓ Has been approved through the DHS/EMI All-Hazards Position-Specific Training Course Manager.
- ✓ Offers engaging teaching skills, tested and proven in course design and Train-the-Trainer courses.
- ✓ Possesses decades of course-relevant command level experience, a nationally respected NIMS/ICS/AHIMT teaching background, and trusted AHIMT/ICS instructional design credentials.

Finance Administration Unit Leader	L-975	3

### When the courses are offered

IMTC can accommodate even the most difficult scheduling situations.

### Where the courses are given

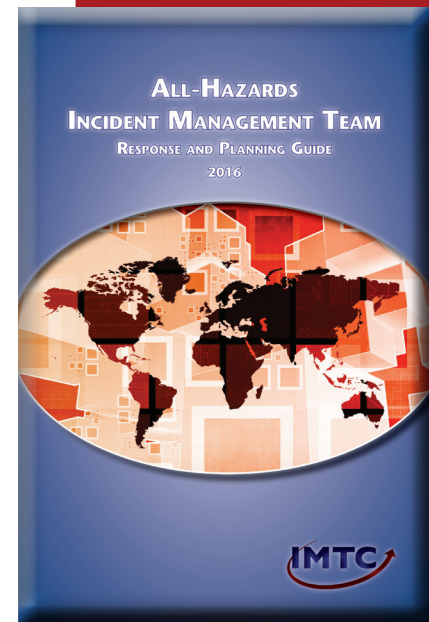

IMTC provides everything needed to present any of the courses at your facility. IMTC's logistics team has supported more than 1000 ICS courses throughout the country with all instructional materials delivered on time and ready for the course presentations.

Our logistical and support services include real-time tracking, follow-up delivery and inventory confirmation, plus back-up procedures to ensure on-time delivery of correct course materials to the proper location.

### Position-Specific curricula updates

IMTC was the original developer of all 18 current position-specific training courses and has been involved in reviewing the most recent revisions.

IMTC also continually supplements its position-specific courses with the current lessons learned from recent deployments, incidents and exercises so that teams benefit from the latest national trends, developments and best practices in incident management.

*Courses include the All-Hazards Incident Management Team Response and Planning Guide textbook for each student.*

### Extra value with AHIMT Response & Planning Guide

The instructional methodology our instructors (and only our instructors) use incorporates the 270-page NIMS compliant and cargo-pocket compatible tool when they teach any of the 21 ICS courses the Guide is designed to accompany.

Every student of IMTC courses learns through interactive scenarios to use the Guide in the classroom, and each is able to keep the Guide as a valuable resource to use while responding to incidents and events. Only IMTC provides this extra value!
